Economic Pacts signed between India and Bangladesh

1445-B. SHRI SYED SIBTEY RAZI: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether some economic pacts have been signed between India and Bangladesh;

(b) if so, what are the details thereof;

(c) whether these agreements will improve the bilateral relations between the two countries;

(d) if so, what are the details thereof; and

(e) if not, what steps are proposed to be taken in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI EDUARDO FALEIRO): (a) Yes, Sir.

(b) During the recent visit of the Bangladesh Foreign Minister to India two Agreements, namely, a Convention on Avoidance of Double Taxation and the Prevention of Fiscal Evasion, and a Credit Agreement between the Government of India and Bangladesh, were signed. The Convention provides for tax exemption to each other's business enterprises, airlines and shipping companies, to avoid the incident of their having to pay the same tax twice. The Credit Agreement extends a government-to-government credit-line of Rs. 30 crores to Bangladesh, to be used for the purchase of capital goods from India.

(c) Yes, Sir.

(d) The Convention aims at avoiding the incident of the business enterprises of the two countries having to pay the same tax twice, and would thus make trading between India and Bangladesh less expensive for the parties concerned. This would improve economic relations between our two countries. Similarly, the credit-line of Rs. 30 crores would help Bangladesh purchase a larger quantity of Indian capital goods thereby drawing the two economies, which already share a special relationship, even closer together.

(e) Does not arise.
